**Web Site: [www.lutterworthgc.co.uk](http://www.lutterworthgc.co.uk)**

Lutterworth Golf Club is very proud of the facilities and the quality of its golf course and extends a warm welcome to all our visitors with the promise that we will endeavour to make your visit as enjoyable as possible. The following information is intended to outline the range of services that are available. You can choose those that ensure your Society's visit to our club is a success and one which you will want to repeat in the future. If there are additional requirements not specified in this information then please contact the Secretary's office on the number above and we will make every effort to provide them.

### **LOCATION**

Lutterworth Golf Club is situated just to the south of Lutterworth on the A426 about ½ a mile from the M1 at Junction 20. Access could not be easier, using the M1 or A5 from the north and south, the M6 from the west or the A14 from the east.

### **THE CLUB**

The club was established in 1904 and has developed over the years, having been played with its current configuration since 1996. It is a member's club that offers a warm welcome to all its visitors. We can offer a range of packages that will ensure you have an enjoyable day both on the course and in the clubhouse. The professional's staff can provide a range of services to meet your requirements ranging from tuition to arranging competitions on the course or in the practice areas.

Through our caterers, Rebecca Louise Catering, we can offer a wide range of options either in our private restaurant or from an extensive bar menu.

### **THE COURSE**

Established in 1904 the course is set in rolling countryside. The club places an emphasis on maintaining the course in good condition and the greens are currently considered as among the best in the county. We are continually upgrading the course and clubhouse and the course has recently had substantial investment to ensure the highest of standards can be maintained.

With plenty of established trees, an ongoing tree planting programme and the presence of a number of ponds and the river Swift, the course places a premium on accuracy.

### **ON ARRIVAL**

On arrival the Society's Secretary/Organiser should report to the Secretary's Office to confirm playing and catering numbers. The office is located off the passageway leading from the car park to the course. In the event that the office is not open then please provide the information to the Club Professional in the Professional's Shop located to the right at the end of the passageway referenced above. Society members and guests should ensure that they are ready to play at the correct time to avoid over running the tee allocation time arranged.

## **LOCKER ROOM**

For Ladies the locker room is located through the first door on the left in the passageway leading to the golf course and an entry access code will need to be obtained from the Secretary or Professional.

For Gentlemen with a party of 24 and over, the locker room is accessed through the second door on the left hand side of the passageway leading to the golf course. An entry access code should be obtained on arrival from either the Secretary or Professional. Otherwise the visitor's changing room is on the right hand side of the passageway.

## **PRACTICE FACILITIES**

Lutterworth Golf Club has a significant practice area which is available for use but it is some distance from the clubhouse. However there are the normal facilities for practicing chipping and putting close to the clubhouse and, less obviously, in our Golf Academy located at the rear of, and accessed through, the Professional's shop. This contains an indoor 3 bay driving facility which you are most welcome to use to get your swing smooth before going out on the course. Simply ask in the shop and the staff will direct you through to the academy.

If you wish you can book for some brief coaching using the full video facilities that are available before your round then it can be arranged through the Professional's Shop.

## **BUGGY HIRE**

A limited number of buggies are available for hire throughout the year, subject to weather and ground conditions. These can be booked in advance by calling The Professional Shop on 01455 552532 – Option 2. Payment must be made to the Professional prior to playing.

## **CATERING**

The clubhouse has a coffee and tea making facility available at all times which can be used for refreshments on your arrival.

We can provide breakfast, lunch and dinner and a menu is attached from which you can make your selection. Alternatively you can individually select from our extensive bar menu but we recommend that you advise our catering staff of your requirements prior to going out to play to avoid unnecessary delays.

All catering arrangements should be conducted through our Head Chef, Miss Rebecca Kirton, on 01455 552532 – Option 3. The caterers reserve the right to charge for meals cancelled within 48 hours of your Society day.

## **Terms & Conditions**

### **Deposit**

A deposit of £100 is required to secure your booking. If you have provisionally booked over the telephone then we will hold this booking for one month pending receipt of your deposit. In the meantime, should we receive enquiries that conflict with your chosen date then we will contact you to seek confirmation of your requirements.

### **Party Size**

We ask that you confirm the number in your party **at least 48 hours** prior to the date of your visit. This is to ensure that we allocate sufficient time on the starting tee for your party. The rate for green fees will be determined by the number playing on the day and these rates are shown in this document.

If you have booked for any catering then the number confirmed above will be that on which the catering will be billed, irrespective of the number actually participating on the day.

### **PAYMENTS**

Two separate invoices will be produced and must be settled on the day of your visit. Please note that we are able to accept payment for the green fees and catering by credit card (fee payable – 2.5%) or debit card.

An invoice covering green fees will be raised after playing numbers have been confirmed on your arrival with payment preferably being made prior to playing. Cheques should be made payable to Lutterworth Golf Club.

An invoice covering your catering requirements will be raised by Rebecca Louise Catering based on the number confirmed at least 48 hours prior to the date of your visit. Cheques should be made payable to Rebecca Louise Catering and payment would normally be made following your meal.

### **DRESS CODE**

Our Dress Regulations **must be adhered to** and we respectfully request that you inform all your guests prior to your visit of these requirements and ask that they comply with them or they will not be permitted to enter the clubhouse or play the course.

### **STANDARD OF DRESS**

In order to maintain a reasonable standard of dress on the course and in the clubhouse, some examples (but obviously not all) of prohibited items of clothing are given below:-

T-shirts; singlets; sweaters with slogans that could be considered to be offensive; tracksuits; trainer socks with shorts; stocking feet and shoes without socks (men), blue denim jeans and trainers. In addition, shirts **must** be worn inside shorts/trousers. However, tailored shirts designed to be worn outside of trousers may be worn in the clubhouse.

Jackets and ties or smart casual clothes including clean golf wear (excluding golf shoes in some areas) may be worn in the clubhouse at any time. Smart casual dress is acceptable, ladies also to be suitably attired in the clubhouse.

Recognised golf and casual wear may be worn on the course.

### **SMOKING**
